

Entering Midterm and Final Grades in the Cav Center

Overview

Grade entry in Banner Self-Service 9 has been consolidated into a single module. You can now enter and view both midterm and final grades in the same place. This upgrade also offers more visible feedback when errors must be corrected as well as the ability to download/upload a spreadsheet with all your grades at once. Grading dates are still governed by the Academic Calendar.

How to Access Faculty Grade Entry

- 2) Click on MyWalsh in the upper right-hand corner

Enter your grades from the dropdown menu. Students who have withdrawn or are auditing the course will display with **Not Gradable** next to their name. You do not have to do anything with these students. You also should not enter anything into the Last Attend Date or Verify Attendance fields during midterm grading.

Make sure to click **Save** after you have entered your grades.

You will see a confirmation at the top of the screen when your **Save** is successful.

Notes About Midterm Grades

- Midterm grades are vital to allow students to know their progress in the course and also to help them make an informed decision whether to remain in the course or withdraw.
- “I” - The grade of “I” is available but should NOT be selected.

Final Grades

Final grading works in the same manner as Midterm grading. In addition to the Grading Status indicator, a Rolled status appears. Once grades have been rolled, they cannot be changed via Self-Service Banner.
